**Tuesday, September 29**

**Breakout Sessions**

08:45-09:00

Assignments for the morning's session  
(*Martin Beniston, Markus Stoffel*)

09:00-10:30

WP leaders and team members are requested to discuss the following:

- *What can WP3 deliver and by when?*
- *What are the needs from WP4 individual groups?*
- *How can WP2 help in the process? What data will be stored, in what format, and how will it be accessed*

10:30-11:00

*Coffee, tea, refreshments*

10:30-12:30

Continuation of breakout group sessions

12:30-14:00

*Lunch (Hotel Pavillon)*

**Plenary and Administrative Sessions**

14:00-15:30

WP leaders are requested to review the following:

- *The list of milestones and deliverables that are due within the near future and before the next reporting period (Month 30)*
- *Ensuring that each partner knows what deliverable she/he will be contributing to, within which time frame and using which methodologies and data, etc.*

15:30-16:00

Further cross-cutting issues between Work Packages (data and information flow; interdisciplinarity between project components, etc.) and issues requiring cross-WP collaboration

16:00-16:30

*Coffee, tea refreshments*

**Looking to the future**

16:30-17:00

Keeping on track through to the next report in Month 30  
This session will also look at how WP5 can begin its outreach activities: workshops, targeted publications, interactions with stakeholders, etc.  
(*Martin Beniston, Markus Stoffel*)

17:00-17:30

Feedbacks from the Scientific Steering Committee (SSC):

- appraisal of work completed in the first year
- issues of concern for the second phase

18:00-18:30

Feedbacks and general remarks from the Project Officer  
(*Tentative; Dr. Quevauviller may only come on Sept. 30...*)

18:30-18:45

Closing remarks, date and venue of ACQWA GA-2010  
(*Martin Beniston*)

18:45

*End of the General Assembly Meeting*

**Wednesday, September 30**

09:00-13:00

ACQWA Management Board (AMB) Meeting  
A separate agenda will be sent to the AMB members

Afternoon

Optional excursions

- 1) Thermal baths of Pré-Saint-Didier
- 2) Cable-car ride du Punta Hellbronner in the Mont-Blanc Massif at 3'462 m above sea level

**If required:**

WP leaders and some partners: some time for further cross-WP discussions (*should aim to stop around 16:30 or 17:00 in order to allow people to return home before the end of the day*).

**Thursday, September 30**

Conference on *Glaciers and Permafrost in Val d'Aosta*.  
Not an ACQWA event, but ACQWA partners are welcome to attend this meeting
